The Pastor's Pen

Beloved Members,

As we recently experienced the annual celebration of Independence Day, the iron curtain of mayhem continues to hang ominously over our nation. Week in and week out innocent citizens are victimized by some form of violence. I know the proliferation of this mindset can be discouraging but we have an alternative hope in God's Word.

May I remind us of one strong anchor that is hooked to our lives as an unbreakable lifeline? We have the assurance that the ruler of universe has promised never to leave us nor forsake us. You see, God is a God of promises. From the first chapter of the Bible, Scripture makes a case for the dependability of God. Nine times the writer reiterates "God said." And without exception when God spoke, something happened. By divine fiat there were light, land, beaches, and creatures. We are left with one conclusion: God's word is sure and his promises can be trusted. What he says happens.

After 46 years in ministry, I've seen a lot of storms. And I've learned that in turbulent times like this, there is nothing more secure than the anchor of God's promises. "We have this

Dr. Major L. Jemison, Pastor

hope as an anchor by which we can remain steadfast, unmovable and abounding." When the cynicism of these times overwhelms, pray to the one who is in charge, and know that in Christ we have an advocate with the Father.

And ponder this truth: Jesus, right now, at this moment, in the midst of whatever trouble we are facing, is speaking on your behalf. He is advocating for a special blessing to be sent our way. For we know, the Apostle Paul says, all things are working together for our good. We do not fight the winds and waves alone. Every day he speaks up for you. He always lives to intercede for us.

Will God intervene? History reassures that He will. And perhaps he will do more than you and I imagine. Stand firmly on the promise that "when a believing person prays, great things happen" (James 5:16).

—Dr. M L Jemison

CHRISTIAN EDUCATION

Submitted By Dr. Lawrence C. Kirk, Director of Christian Education

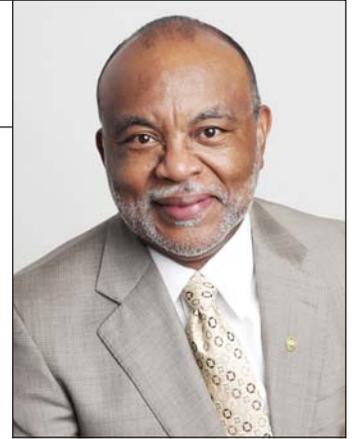

Just this past week, I became fully aware of the need for Christian education. I was introduced to a person who had never been taught Christian values and had no concept of God's love. This individual had a little memory of being brought up in the Muslim faith as a child, but never embracing the faith as an

adult. Many of us come from a Christian home where we were taught Christian values and were exposed to some form of Christian teachings. However, we are living in a different generation, where adults have not been taught Christian principles. Since they were not taught, the likelihood of their

children knowing anything about God is doubtful.

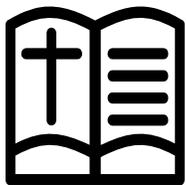

We need Christian education because men need to know what their role and purpose is in marriage, family, and society. Our women need Christian education to understand and fulfill God's purpose in their lives. Our young people need Christian education to help them make right choices. So many choices are being thrown at our youth, that without a strong biblical base our youth will become casualties of a perverse generation.

St. John, I know the pandemic has affected our lives for the past year and a half. I want to recommend that you take advantage of one of the fine opportunities for growing deeper in Christ. Our flagship offering, is our Sunday morning "Enrichment Hour" where we have a class with you in mind. Many of the classes are meeting by zoom. The JMBI (Johnson Memorial Bible Institute) is gearing up to offer classes on our web site, some of these courses will allow you to earn a college

credit as well as strengthen your Bible knowledge. Our Children and Youth ministries will help lead your children into a personal relationship with Christ. Christian education here in St. John will also assist you in living godly in your season of life, be it single or married. We also help you cope with grief, and we provide support with substance abuse that robs many of our Christian homes.

These are just a few reasons why we need Christian education. My commitment to enhance St. John's Christian education offerings is stronger. Join me; there is a place for you! Contact me at (405) 478-3344 or e-mail Lckirk@stjohnokc.org.

PASTOR'S PARTNERS IN PRAYER

Submitted By Deacon Raymond Payton

The Word of God

"For the word of God is full of living power." Hebrews 4:12

When communing with God, His Word and prayer are both indispensable and should not be separated. In His Word, God speaks to me; in prayer, I speak to God.

The Word teaches me to know the God to whom I pray; it teaches me how He would have me pray. It gives me precious promises to encourage me in prayer. It often gives me wonderful answers to prayer.

The more I pray, the more I feel my need of the Word and rejoice in it. The more I read God's Word, the more I have to pray about and the more power I have in prayer. One great cause of prayerlessness is that we read God's Word too little or only superficially or in the light of human wisdom.

It is the Holy Spirit through whom the Word has been spoken, who is also the Spirit of prayer. He will teach me how to receive the Word and how to approach God.

What power and inspiration would be ours if we only took God's Word as from Himself, turning it into prayer and defi-

nately expecting an answer. It is in the intimacy of God's presence and by the Holy Spirit that God's Word will become our delight and our strength.

Let us continue to keep Pastor Jemison and his family in our prayers. Join us as we pray for our pastor at noon daily.

WMU Highlights

Submitted by Penny Emery, WMU President

Happy July!

The St. John WMU is grateful for a wonderful month of June! We celebrated Father's Day by sending gift cards to the older Fathers of our congregation. It was our pleasure to share this appreciation and gift of love. The WMU also shared messages of love with those members who experienced sickness and bereavement.

We are looking forward to embracing our Bible Study entitled, "Elijah - Faith and Fire"

by Priscilla Shirer. This Bible Study will begin Saturday, July 10th at 1:00pm with a brief overview and video. The Bible Study will be brought to you via Zoom.

We will formally begin the study of the book of Elijah on July 17th. Our facilitators are excited and ready to share with those who have registered. Registration information was sent out via email to the women of St. John and Sis. Gerchel

Holbert, 1st VP and Circle #2 Chairperson is giving leadership to this Bible Study.

We are looking forward to a great time in the Lord.

The St. John WMU continues to send cards to the sick and to the bereaved of our congregation. We continue to witness to the unsaved and we are committed to meeting the needs of our congregation and of our community.

Frankly Speaking

By Patricia T. Brewer, Luella Dunn Children's Department Minister

Protect your mind and heart

Bible Verse: Philippians 4:8

Look at the children in their sunglasses. Sunglasses are really helpful on a super sunny day. They block out the sun and the harmful UV rays that can affect your eyes. It also helps you see better when you're doing things outside, plus they're also just fun to wear and they look great! I really love wearing different kinds of sunglasses to look stylist. (LOL)

You know that makes me think that there are other ways we can protect our eyes because sometimes what we see you can have bad effects on our minds and our hearts. Do any of your parents not let you see r-rated movies, or do they have special programs that block certain things on the internet? It may feel frustrating to you but your parents are trying to protect your eyes from things that will harm your mind.

word, whatever is pure and wholesome, whatever is lovely and brings peace, whatever is admirable and of good repute; if there is anything worthy of praise, think continually on these things, center your mind on them, and implant them in your heart."

In Philippians 4:8 it says, "finally believers, whatever is true, whatever is honorable and worthy of respect, whatever is right and confirmed by God's

Doesn't that sound great? I mean who wouldn't want to think of those things? But the world often turns away from all the things that are good and pure. The reason why Paul,

he's the guy that wrote Philippians, asked us to think about things that are right and lovely and admirable, is because if we think that way, we become that way. If you want to be excellent and praiseworthy, you have to avoid the things that will harm your mind and heart. You can do this by protecting your eyes from things you shouldn't see.

So... use wisdom, kind of like you would use these sunglasses to protect your eyes if you're not sure about a movie you want to watch or a book you want to read, think about Philippians 4:8, ask if it's lovely, right and admirable. Just like you wouldn't go outside on a sunny day without sunglasses, don't go outside without wisdom to protect your mind and heart.

PARISH FELLOWSHIP NEWS

By Sis. Debra Johnson, Parish Fellowship Coordinator

Greetings to all!! I pray you and your families are doing well and staying safe.

It is the desire of the Parish Fellowship that that all of our members are being contacted by the church, from our youngest to our oldest members. If you or someone you know is not being contacted, please reach out to me through the church office. We'll be happy to check our records to ensure we have your correct contact information. "Love in Action" starts with a personal contact.

We took CONNECT to the next level on June 30th. CONNECT transitioned to a public

forum that brings together St. John members along with people of the community for a time of interaction, exchange of information and fellowship via Zoom. Councilwoman Nikki Nice was our guest on June 30th....there were approximately 45 people on the Zoom meeting. The session was very informative. Nikki gave information on exciting projects going on in Ward 7, i.e., the new Homeland grocery store, the new fitness center, upgrades to Moon Middle school, the Willa D. Johnson Recreation Center, the Market at EastPoint. Nikki also indicated that there are much more exciting positive changes to come. The breakout periods in thought provokingparticipants were asked, "What can we do to help Nikki

Nice help us?" Getting out to vote and serving on boards and commissions were favorable responses. Pastor Jemison encouraged our members to get behind Councilwoman Nikki and aid her in her efforts to transform Ward 7 for the good of our people. THE FELLOWSHIP WAS ENJOYED BY ALL!!

The next fellowship is tentatively set for Wednesday, July 28th @ 7:30 p.m. Be listening to announcement for details. Zoom ID and Password never changes....it is: MEETING ID: 245 333 9136 / PASSCODE: 830707

We have created and cultivated a community who understand the need of technology. Anytime, anywhere connectivity. It's not about the technology... we are focused on maximizing the message. Technology is a conduit for the Gospel of Jesus Christ.

We have engaged our people in a unique way. We will continue strategically to engage our members and meet them where they are. We broadcast to Facebook, YouTube, and on our Website. We will begin the recruiting process to began to build our Technology Teams.

Our Technology Ministry Team Mission:

To Utilize Technology to engage, equip, and empower Gods people and beyond.

Our Technology Ministry Scripture:

20—Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world. Amen.

We need people that have a passion for technology to serve in our technology ministry. We are looking and will accept volunteers willing to use technology to engage our internet audience.
